Batavia High School Junior,

The SAT has become a rite of passage for juniors. In fact, because of the pivotal role this test plays in college admission, Illinois will be underwriting the cost of the SAT for every student in the Class of 2019. To prepare its junior class, Batavia High School has invited ExcelEdge to offer **SAT 1600**. In fact, since 2000 almost 1,900 Batavia High School grads have increased their scores, thanks to ExcelEdge test preparation.

Our curriculum, our strategies and our instructors make the difference. A leader in Midwest test preparation since 1987, we at ExcelEdge have meticulously monitored the College Board SAT to make sure students receive a highly-specialized program tailored to the test. You can count on experienced instructors who are certified content specialists to teach you point-producing offensive and defensive strategies to navigate difficult items. We will show you exactly what to expect on the SAT. We will teach you how to eliminate choices, how to answer items quickly, and how to maximize your score. We will teach you how to think like the test maker. To see what our schools, our parents, and the graduates of our program have said, please visit our website: www.exceledegeinc.com.

Timing is everything. We have impeccably scheduled **SAT 1600** to wrap up just before the April 10, SAT exam. By spring, students will have mastered junior curriculum, which the exam targets. By completing the program in the weeks just before the SAT, students can master test content and strategy and put these skills to immediate use. Students may enroll in our eight-week test preparation program on Wednesday evenings from 7:00 to 9:00. Please visit the ExcelEdge website for details.

Wednesday - 7-9 P.M. - 1/24, 1/31, 2/7, 2/14, 2/21, 2/28, 3/7 (Practice SAT 5:30 to 9:00), 3/14

Register for SAT 1600. To join our program and pay with a credit card, please visit our website – www.exceledegeinc.com. Select your school from the drop down menu and follow the prompts. The tuition is \$305, which includes the textbook and all practice tests. Registration begins November 1 and closes on December 20 or when all sections are filled, whichever comes first.

Look for posted lists. Class lists will be posted in the Counseling Office before classes begin to remind you of your starting date and notify you of your room assignment. Also, your ExcelEdge supervisor will send a reminder to you just before we start.

Contact us with any question. We pride ourselves on personal attention, as you will discover. If you have a question on either test preparation or registration, please contact ExcelEdge – info@exceledegeinc.com or 219-838-0740 – or ask your BHS counselor or Mrs. Shana Rydholm in the College and Advising office. You also may visit the Resources section of our web site to find responses to Frequently Asked Questions: www.exceledegeinc.com.

Your SAT score is too important to leave to chance. By enrolling in **SAT 1600**, you can give yourself an edge in the competitive college market. You will find that **SAT 1600** is more than a test prep book; it is a new way of thinking about tests. We look forward to having you with us.

Sincerely,
