

COURSE SELECTION FOR 2026-2027

OVERVIEW & TIMELINES

Below is an overview of the Course Selection process for BHS. The **Dark Red Steps** on the left side indicate actions led by the high school team. The **Dark Gray Steps** on the right side indicate actions for students and parents (guardians) to take. Deadlines for key processes are in Bold.

01

Placements & Recommendations

Students and their Guardians will receive an email with Core Academic (Math, Science, English, Social Studies) placements & recommendations for the next school year. Students and their Parents can request changes to these until winter break (12/19/25).

Student & Parent Exploration

Students & Parent(s) will receive information on how to explore elective courses, consider their 4-year plan, review any course prerequisites, and preview their course selection forms.

02

03

Counselor Presentations

Counselors will present course selection information to students and assist them in refining a 4-year plan as well as completing their course selection forms (students will receive a copy of their completed selection form). **Course selections are due by winter break.**

Review & Revise

Students & Parent(s) will receive information on how to review and verify their course selections in PowerSchool for accuracy, as well as how to request final changes. The Verification Window is 1/12/26 - 1/20/26. **After this window, students will not be able to request non-core changes until 8/1/26.**

04

05

Final Core Adjustments

Students & Parent(s) will receive an email with directions on how to request any final Core Academic Placements (Math, Science, English, Social Studies). The Adjustment Window is 4/20/26 - 4/26/26. **After this window, students will not be able to request changes until 8/1/26.**

August 2026 Portal Opening

Students & Parent(s) will be able to access schedules for the 26-27 school year in PowerSchool on **8/3/26**. There will also be communications on how to request any changes on a space available basis at that time.
